C. The message of the book

1. If our God whom we serve is able to deliver us from the furnace of blazing fire and out of your hand, O king, let him deliver us (Dan 3:17-18)

--If the same God was able to deliver our ancestors, let him deliver us now

2. If not, know that virtuous people will be rewarded in the end.

In the first half of the books (chs. 2, 4, 5), Daniel was the interpreter of dreams. In chs. 7 and 8, he saw visions and needed an interpreting angel to offer explanation. He still did not understand and in chapter 9, an angel appeared to interpret scripture.

--- if the wise man Daniel was not able to understand, it is indeed a hidden matter with utmost importance.

3. The truth of the matter is: 10 sabbaths (2 Chr 36:20-21) or 10 jubilee years (Lev. 25:8-12).

Daniel rejects the Chronicler's interpretation of the seventy years, according to which the prophecy was fulfilled in the Persian era.

4. The problem of delay: "Just wait a little bit more."

**1. 2300 nights and days (8:14) = 1150 x 2**

**2. 1 week = 7 years = 365x7 = 2555 days (9:27)**

**3. a time, times, and a half = a half week (7:25; 9:27; 12:7) = 1277.5**

**5. 1290 days (12:11)**

**6. 1335 days (12:12)**
